

Maine

Envirothon

The **Maine Association of Conservation Districts** is pleased to announce....

\$2,000 Scholarships

to the

University of Maine, Orono

The University of Maine at Orono will award up to **THREE \$2,000 scholarships** to Envirothon Team Members.

ONE scholarship will be awarded to a Team Member admitted to the College of Natural Sciences, Forestry & Agriculture, Fall 2009.

TWO scholarships will be awarded to a Team Member admitted to the School of Forest Resources, Fall 2009.

To be considered for these scholarship awards, the Envirothon Team Member must send the following information – postmarked by **MAY 1st, 2009** to:

tish carr, Envirothon Coordinator
c/o Maine Association of Conservation Districts
693 Manchester Road
Belgrade, ME 04917

1. Copy of secondary school transcript
2. Letter from Envirothon Team Advisor describing the applicant's strongest qualities as a potential specialist in natural resources management and conservation. This letter must state that the student is, or will be, a Member of an Envirothon Team which the Advisor is preparing for the 2009 Envirothon.
3. A personal letter from the student – addressed to the MACD Envirothon Committee – of approximately 300 words describing the student's interest in natural resource management and conservation.
4. Letter of admission to the University of Maine Orono's College of Natural Sciences, Forestry & Agriculture for the Fall of 2009.
5. **Please mark on the cover letter which Scholarship you are applying for.**

The Maine Association of Conservation Districts Education & Envirothon Committee and a representative from UMO plan to announce the scholarship recipients at the State Finals on May 28th at University of Maine's Orono Campus.

This is a one-year award. For additional information, please contact tish carr, Envirothon Education Coordinator: tish.carr@maineswcds.org; (207) 495-2392.
